Energy efficiency rating

 A

A unique project with exceptional design and perfect layouts.

The complex consists of only 5 cozy apartments and 2 luxury penthouses with private swimming pools and roof gardens.

The limited number of units creates the vibes of a closed and secure community.

The project will immediately have you mesmerized with the beautiful inside area, enhanced with lush greenery, giving the area a fresh look. As a resident, you will also have access to the common swimming pool and covered parking.

The complex is gated and secured, with 24/7 CCTV. Each unit includes a spacious storage room on the ground floor.
