Building Land For Sale In Drouseia Paphos Cyprus

€600,000 ^{+VAT}

 Drousia, Paphos

Area

 4922 m²

Type

Field

Title deed

Yes

Lovely parcel of land with almost trapezoidal shape, situated on a hill with unobstructed views to the Lachi harbour and the sea.

The property has 67 meters frontage on a public asphalted road leading to Droushia Village, north of the Droushia Heights Hotel.

The plot is level with very good development prospects. In the northern part, next to the property has been built a tourist complex of apartments.
